All rights reserved:

1. Intellectual property rights of the website, its source code, design, navigation layout, databases and different items of content are owned by **Telefónica Open Innovation, S.L.U.** which has the exclusive rights to use these in any way it deems appropriate, and, in particular, rights of reproduction, distribution, public communication and transformation.
2. These general terms and conditions govern access and use of the web site which **Telefónica Open Innovation, S.L.U.** places at the disposal of internet users free of charge. Access to the web site implies unreserved acceptance of the aforementioned general terms and conditions. The use of certain services offered on this web site shall also be governed by the specific conditions stipulated in each case, which shall be understood to have been accepted simply by use of such services.
3. Viewing, printing and partially downloading any of the web site's content is authorized solely and exclusively under the following conditions:
 - That this be compatible with the purposes of the web site.
 - That the information thus obtained is solely for personal and private use. Use of the web site's content for commercial purposes or for distribution, public communication, conversion or decompilation is expressly prohibited.
 - That none of the web site's content be altered in any way.
 - That no chart, icon or image available on the web site be used, copied or distributed separately from any accompanying text and images.
4. **Telefónica Open Innovation, S.L.U.** reserves the right, at any time and without prior warning, to alter and update the information contained in the web site, the configuration and presentation of the site, and the access conditions.
5. **Telefónica Open Innovation, S.L.U.** cannot guarantee that there will be no interruptions or errors in access to the web site or in its content, nor that the latter is up-to-date, although it will strive to prevent and remedy any such interruptions and errors and to update content, if necessary.
6. Both access to this web site and the use made of the information contained therein is the exclusive responsibility of the user. **Telefónica Open Innovation, S.L.U.** shall not be responsible for any consequence, damage or injury that may result from access or use of the information. **Telefónica Open Innovation, S.L.U.** shall not be responsible for any

possible security errors which may occur nor for any possible damage to the user's computer system (hardware and software), or to the files or documents stored therein, caused by the presence of a virus in the computer used by the user to connect to the web site's services and content, by the malfunctioning of the browser or by the use of out-of-date versions of the said browser.

7. **Telefónica Open Innovation, S.L.U.** assumes no responsibility whatsoever in respect of connection to or the content of third party links contained on the web site, nor does it guarantee the absence of viruses or other elements in the said links which may cause alterations to the user's computer system (hardware and software), documents or files, including responsibility for any damages of any kind caused to the user for this reason.
8. **Telefónica Open Innovation, S.L.U.** owns the industrial property rights relating to its products and services, and specifically those relating to the " **Telefónica Open Innovation, S.L.U.**" registered trademark. With regard to third party products and services mentioned on the web site, **Telefónica Open Innovation, S.L.U.** acknowledges the claim of the owners to the corresponding industrial and intellectual property rights, their mere mention or inclusion in the web site according **Telefónica Open Innovation, S.L.U.** no rights or responsibility whatsoever in respect of the said products and services, nor implying any endorsement, sponsorship, or recommendation on the part of **Telefónica Open Innovation, S.L.U.**
9. Unauthorized use of the information included on this web site, its sale to third parties, and any breach of **Telefónica Open Innovation, S.L.U.**'s Intellectual or Industrial Property rights shall give rise to the legally established responsibilities.
10. All third party links to this web site must be to the homepage.
11. **Telefónica Open Innovation, S.L.U.** and the user, expressly waiving their right of recourse to any other jurisdiction, hereby submit to the jurisdiction of the Courts of the user's place of residence for the resolution of any dispute that may arise in relation with access to this web site. If the user's place of residence is outside of Spain, **Telefónica Open Innovation, S.L.U.** and the user, expressly waiving their right of recourse to any other jurisdiction, hereby submit to the jurisdiction of the Courts of Madrid (Spain).
